Patient & Family Advisors Needed!

I'm a Patient Advisor for PeaceHealth Medical Group. As a Patient Advisor I work closely with healthcare professionals who value what I, as a patient, think about my healthcare experiences. I volunteer to help with reviewing programs, policies, education materials, forms and have the opportunity to provide input on quality and safety efforts at PeaceHealth Medical Group as well as facilities planning. I believe the work I do makes a positive difference to the overall patient experience.

We are always seeking other PeaceHealth Medical Group patients to join us as Patient Advisors. Would you like to learn more? You may contact me _____ at _____ or Sheila Miller at 222-6242 to get more information about this unique opportunity.
