

Technical Assistance Opportunity & Resources

Information for a Healthy Oregon

Technical Assistance Opportunity

The *Patients and Families as Leaders* Collaborative seeks to move six partnerships with patients and families to a new level. If selected, your organization will receive the following technical assistance:

- On-site consulting
- Webinars and networking opportunities
- Attendance at a national seminar with your patient/family leader
- Start-up funding for a special project

Instructions for Applying

Please complete the following application materials available for download at <http://q-corp.org/programs/partner-for-quality-care-initiative/patient-centered-care>:

- Application and Checklist
- Institute for Patient- and Family-Centered Care's Primary Care Assessment (**for primary care organizations only**)

The deadline for submission is **June 30, 2010**. Please complete the application and send a PDF copy electronically to patientengagement@q-corp.org. Direct all questions to Shari Wright at 541-984-2154 or patientengagement@q-corp.org.

Eligibility Criteria

Primary care organizations and health plans in Oregon are eligible to apply.

- Attend the Patients and Families as Leaders in Health Care Improvement workshop on June 10. A senior leader, a possible staff liaison, and a patient/family advisor are all encouraged to attend.
- Complete the Institute for Patient- and Family-Centered Care's Primary Care Full Assessment (primary care organizations only)
- Identify an executive sponsor/senior clinician/manager champion
- Identify a staff contact who will be a liaison for patients and/or families who serve in advisory roles in your organization (can be the same as above)
- Participate in learning activities during the 18 months of the Collaborative and a key leader and a patient advisor attend a national seminar, Moving Forward with Patient- and Family-Centered Care (November 1-4 at Pinehurst Resort, North Carolina, travel and lodging paid by the Quality Corp up to \$2000).
- Organization is representative of healthcare organizations in Oregon (size and geographic location)

Selection Criteria

- Involvement and support from executive leadership, clinicians, and staff
- Demonstrated commitment to patient and family engagement

Resources

The medical group and health plan assessment surveys can be found on the Oregon Health Care Quality Corporation website at <http://q-corp.org/programs/partner-for-quality-care-initiative/patient-centered-care>.
